

Star-Style 2010 Final Newsletter

I cannot believe we are in the final countdown to the 25th anniversary of Star-Style! Where did the year go? Where did the last 25 years go!? The following pages will keep you up to date on the happenings over the next week. As we all enter 'show mode' I strongly recommend contacting the office via email or phone if you have any questions. If a staff member gives you the wrong information we will make it right however if you get your info from a good intentioned parent/student and it happens to be wrong it may be the difference between wonderful memories and a nightmare!

There are three (3) shows: 11:30a, 3p and 8p. Your child is in one (1) show only, with the exception of our advanced dancers. Below is the line-up by class day/time/teacher. You will also see the name of the dance and dressing room number at Kobacker (DRm.) as well as any additional notes needed.
